| Description | | | |
| From Giulio Stancari < stancari@fnal.gov >: | | | |
| I'd like to request a new "Electron lenses" electronic logbook to cover | | | |
| <ul style="list-style-type: none">• electron-lens test stand in lower Linac gallery;• development of electron lenses for IOTA/ASTA;• development of electron guns and electron lenses for US LARP and HL-LHC;• decommissioning of the Tevatron electron lenses. | | | |
| If possible, I'd like to transfer the entries of the old "Beam-beam compensation" logbook to this new Elog. | | | |
| This is a list of first users: | | | |

History

#1 - 03/08/2015 09:28 PM - Kyle Hazelwood

An "Electron Lenses" category has been created and attached to the "Accelerator Projects" logbook.

#2 - 03/08/2015 09:38 PM - Kyle Hazelwood

- Status changed from New to Closed

All the users listed have been given privileges to the "Accelerator Projects" log. Aleksandr Romanov had to be added to the elog.
